Assistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

Please amend the application as follows:

In the Drawings:

Substitute the attached seven sheets of formal drawings for the originally filed drawings. The originally filed amended drawings are included to highlight the changes in red.

Match & Return

In the Specification:

JEV 9/10/00

On page 2, line 8, change "and" between "axes" and "rotation" to --of--.

On page 13, line 8, change "132" between "indentations" and "conforming" to --133--.

Entry approved JEV 8/10/00

REMARKS

The formal drawings replicate the originally filed informal drawings without adding new matter.

Changes in the formal drawings include:

1. The removal of redundant designator 105 in FIGS. 10 and 11; and

2. The renumbering of one use of twice-used designator 132 in FIG. 15 to 133.
